CITY OF HARTFORD ANNOUNCES LEVEL 2 PARKING BAN

Ban in Effect from 9:00 a.m. Saturday to 6:00 a.m. Sunday

--- NEWS AND COMMUNITY STATEMENT---

(January 20, 2012) --- Due to the pending snowstorm, the City of Hartford has implemented a citywide Level 2 Parking Ban.

The parking ban is in effect from 9:00 a.m. Saturday, January 21st to 6:00 a.m. Sunday, January 22nd. During a Level 2 parking ban, all parking on City streets is prohibited. Any vehicle parked on a City street is subject to be tagged and towed.

“When people refuse to adhere to an instituted ban, the impact on the City from a financial perspective, not to mention the safety hazards posed because public works crews cannot effectively remove snow is significant,” said Mayor Pedro E. Segarra. “We will strictly enforce this ban, so I ask that all vehicle owners move their property from City streets.”

During the parking ban, City residents may park their cars in any public school parking lot; the City requests that you park away from the school building. Motorists are responsible for removing their vehicles at the end of the parking ban so that school lots can be properly cleared.

Towed vehicles can be located by calling the Hartford Police Department at (860) 757-4000. Vehicle owners must provide the Vehicle Identification Number (VIN) or license plate to obtain information on the tow company.

Snow emergency violation tickets are \$99 and are payable to the Hartford Parking Authority; tow charge is \$97.84.
